I am an authorized officer or agent of the aggregated unit and all electrical generation facility owners in the aggregated unit with authority to submit this application on said facility owners' behalf, and hereby submit this application and any supplemental forms and attachments included herewith for certification or precertification of the individual facilities in the aggregated unit as a renewable electrical generation facilities eligible for California's RPS. I have read the above information as well as the *Renewables Portfolio Standard Eligibility Guidebook*, and understand the provisions, eligibility criteria, and requirements of that guidebook and my responsibilities under the guidebook. I acknowledge that any approval for the aggregated unit as RPS eligible from the Energy Commission is conditioned on the acceptance and ongoing satisfaction of all program requirements as set forth in the *RPS Eligibility Guidebook* by each facility owner. I further acknowledge that the Energy Commission may revise the *RPS Eligibility Guidebook* in the future, and that it is my responsibility to remain informed of any changes that could affect the certification of the aggregated unit and the eligibility of the individual electrical generation facilities comprising the aggregated unit. I declare under penalty of perjury that the information provided in this form and any supplemental forms and attachments included herewith is true and correct to the best of my knowledge and that I am authorized to submit this form and any supplemental forms and attachments included herewith on behalf of the above noted aggregated unit and the owners of the individual electrical generation facilities comprising the aggregated unit.
