1. Participation in the Existing Renewable Facility Program (ERFP) as of December 31, 2011

• Biomass Facility

- Applicant certifies that the facility meets all of the following requirements:
 - ◊ The facility commenced commercial operations before January 1, 2012.
 - ◊ The facility was certified under the ERFP as of December 31, 2011.
 - ◊ The contract in place at the time the facility was certified as eligible for the ERFP has not expired, been withdrawn, terminated, or otherwise extended by virtue of any contract amendment. A copy of the contract is attached.
 - Provide the contract termination date: _____

• Solar Thermal Facility

- Applicant certifies that the facility meets all of the following requirements:
 - ◊ The facility commenced commercial operations before January 1, 2012.
 - ◊ The facility was certified under the ERFP as of December 31, 2011.
 - ◊ The contract in place at the time the facility was certified as eligible for the ERFP has not expired, been withdrawn, terminated, or otherwise extended by virtue of any contract amendment. A copy of the contract is attached.
 - Provide the contract termination date: _____

2. Participation as a renewable qualifying small power production facility (QF) before January 1, 2002

- Applicant certifies that the facility meets all of the following requirements:
 - ◊ The facility commenced commercial operations before January 1, 2002.
 - ◊ Facilities that did not participate in the ERFP.
 - ◊ The facility was certified and operational as a renewable QF eligible for certification pursuant to Section 292.207 of Title 18 of the Code of Federal Regulations before January 1, 2002.
 - ◊ The facility is currently certified as a renewable QF pursuant to Section 292.207.
 - ◊ The contract in place at the time the facility was certified as eligible as a QF facility has not expired, been withdrawn, terminated, or otherwise extended by virtue of any contract amendment. A copy of the contract is attached.
 - Provide the contract termination date: _____

Section IV: Attestation

I am an authorized officer or agent of the above-noted electrical generation facility and hereby submit this form. I have read the RPS Eligibility Guidebook and declare under penalty of perjury that the information above it is true and correct to the best of my knowledge.

Authorized Officer/Agent: _____

Officer Title: _____ Company: _____

Signature: _____
