### ***Renewables Portfolio Standard Eligibility Guidebook, Eighth Edition CEC-RPS-De Minimis Supplemental Form***

The *Renewables Portfolio Standard (RPS) Eligibility Guidebook, 8<sup>th</sup> Edition* was adopted by the Energy Commission at its regularly scheduled business meeting on June 10, 2015.

The *RPS Eligibility Guidebook* requires certain facilities that were given nonrenewable energy resource allowances to submit a supplemental form (CEC-RPS-De Minimis) within **90 days** of the adoption of the *RPS Eligibility Guidebook* to provide information on the contract, and acknowledge that they will be subject to the de minimis quantity rules in place after the contract ends. For more information, see section III.B.3: Other Nonrenewable Energy Resource Allowances in the *RPS Eligibility Guidebook*.

**Please note** that applicants have until September 8, 2015, to submit the signed CEC-RPS-De Minimis supplemental form. Also note that the Energy Commission is now accepting electronic submittal of forms with signed attestations in PDF format to [RPSTrack@energy.ca.gov](mailto:RPSTrack@energy.ca.gov). Hard copies of the form with original signature can still be submitted, if preferred. In addition, electronic submittal of the unsigned form in Excel® format is still required.

The supplemental form CEC-RPS-De Minimis is available for download from the Energy Commission's website at:
