Subject: Docket Number 15-BSTD-01 - Adoption of 15-Day Language for 2016 BEES

William's Electric Inc. totally disagrees with the cost analysis for the amount of time to perform an acceptance test on an occupancy sensor. The Compliance Manual suggested labor units for acceptance testing of an occupancy sensor is merely a suggestion. The factors that impact this test vary and so the time also varies. We are submitting to NLCAA our testing time averages for each of the required testing to assist NLCAA contractors.
