Explanation of Actions Taken Against ATT/ATEs

ATT – Certification Revoked

ATT was testing through paper forms. Testing is required to be completed through the NLCAA software. NLCAA filed a Complaint Form and were unable to rectify situation with the ATT. The certification was revoked.

ATE – Certification Surrendered

ATE left the industry and surrendered his certification and can become certified again if he chooses to come back to industry.

ATT – Certification Suspended

Student was allowed to attend the ATT Certification course prior to submitting all his prerequisite courses. NLCAA reached out multiple times during class and after class. Certificates were never submitted so certification was suspended.

ATT - Failed Desk Audit

ATT submitted a new desk audit and passed. No further actions taken.

ATT/ATE - Failed Desk Audit

Field Inspection to be scheduled in next reporting period to review testing procedure.
