Subject: California Energy Commission (CEC) Integrated Resource Plan (IRP)  
Filing of Los Angeles Department of Water and Power's (LADWP) 2017  
Integrated Resource Plan (CEC Docket 18-IRP-01)

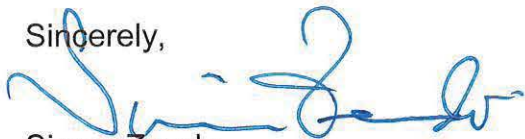

To Whom It May Concern:

Enclosed is the Los Angeles Department of Water and Power's (LADWP) submittal of the 2017 Power Integrated Resource Plan (IRP). This submittal is substantially the same documents and content approved by the Board of Water and Power Commissioners on November 27, 2018, with the exception that sensitive information has been made generic and/or aggregated at the request of the California Energy Commission (CEC) to eliminate the need to file confidentiality.

On February 22, 2019, LADWP submitted the **Confidential Document 2017 LADWP Integrated Resource Plan 08242018**, **Confidential Document 2017 LADWP IRP Standardized Reporting Tables 02192019**, and **LADWP Board Resolution 019 088** to the CEC Docket 18-IRP-01, along with a request for confidentiality designation for certain information presented in the IRP submittal. LADWP hereby requests that the CEC retract LADWP's original filing and confidentiality application filed to the CEC Docket 18-IRP-01 on February 22, 2019 (posted on February 25, 2019). LADWP is no longer requesting confidentiality designation for any information presented in the 2017 LADWP IRP and 2017 LADWP IRP Standardized Reporting Tables, provided that the CEC retracts the entire LADWP February 22, 2019 filing (posted on February 25, 2019).
