February 24, 2021

**Notice of Staff Report Availability  
and Public Comment Period Extension  
for Mechanical Acceptance Test Technician  
Certification Implementation**

On January 12, 2021, staff held a public workshop to discuss the staff report, which provides the necessary evidence, background, and implementation plan to allow the CEC to require any person performing a mechanical acceptance test required by the Building Energy Efficiency Standards to be certified as an acceptance test technician. The related staff report is now available, and the CEC is providing stakeholders with a two-week comment period for proposed changes, comments, or questions.

- Extension of comment period for the prior workshop notice: Notice of Staff Workshop [January 12, 2021](#):
  - The new comment period is **extended to Friday, March 12, 2021, at 5:00 p.m.**
  - Comments may be filed using the [CEC e-commenting system for Docket 20-ATTCP-01](#) or as indicated in the January 12, 2021 Workshop Notice.
- The staff report, "[Technician Certification for Energy Code Required Mechanical Acceptance Testing](#)" is available in the Docket Log [20-ATTCP-01](#).
